

# How to find us

ACE Building, Aberthaw Power Station, CF62 4ZW

You will come into site via the Main Road. You will see the main security building in front of you. You do not need to go to security. **Please turn right before Security.** Follow the road and the signs to the ACE Building.

Please **reverse park** upon your arrival at the Ace Building Car Park. Should you encounter any difficulties, kindly reach out to the **CCR Energy** team member you are scheduled to meet.

We are here at the **ACE Building.**

# Signing in

- To gain access to the Ace building please go through the main glass door. If your host is not there to welcome you please ring the doorbell mounted on the wall on the left-hand side of the door.
- There is a book on the table for visitors to sign in and out, please sign in before your meeting. Please ensure you sign out after your meeting.
- Should the fire alarm sound please follow your host to the fire assembly point in the car park, it is clearly sign posted.

Under the new recycling law in the UK for businesses, we kindly remind our guests to utilise the designated recycling bins provided on site to support our sustainability efforts.
